WE ARE BACK !!!!!

After a short hiatus for some site changes we are now back to our website.

D.A.R.E. Is Different. This is not the same D.A.R.E. it was in the late 90's. The curriculum has been completely re-vamped and educates children to meet today's needs.

D.A.R.E. Officer Trainings have been temporarily suspended due to current COVID restrictions. We are currently waiting for an opening at the Ontario Police College to conduct our next training. It is anticipated that this training will fill quickly.

Please contact D.A.R.E. Training Coordinator, Harry Lawrenson at Harry.Lawrenson@dare.org or info@dare.ca, for further information and to register for this highly acclaimed program teaching kids to be responsible, and to make wise and healthy life choices.

It is hoped that we will be able to schedule a training for April of 2021.
