D.A.R.E. Canada will be conducting a D.A.R.E. Officer Training at the Ontario Police College from April 23 to May 3, 2019. Space is limited so please contact the Coordinator, as soon as possible to reserve space(s)...

Included in this session for the elementary, grade 5-6, will be "Harmful Effects of Cannabis" so that kids can learn early in life the consequences of using drugs. There is also a 3 hour block on Opioid/Fentanyl use/abuse.
